

Personal E-Mail Services

Spiderace WONKMAIL Personal E-Mail solution allows you to have Unique identity on net. No more ad-based webmail services like

your_name23@freedomain.com

This email address is being protected from spam bots, you need Javascript enabled to view it

and that way. You will have control on the names and have your choice at your own domain. Still Don't have Your Own Domain? then, select one of your choice which will be availed FREE with your personal email account.

You will get 5 E-Mail Accounts for just less around \$6.70 a month which you, your family, friends or associates or anyone can use. Each E-Mail Account comes with our easy-to-use Webmail interface giving you access from virtually any Internet-connected computer. You can also use your choicest email program (POP3/SMTP) which you feel comfortable with. When you feel need for more space, it is just a click of Button, and you can Upgrade your E-Mail Accounts with more Higher Capacity.

Fast, Reliable and Spam Free Personal Email

Spiderace WONKMAIL Personal E-Mail solutions is Secure, Fast, and reliable. With our Services, You will get Ad-Free E-Mail Accounts. Our Anti-Spam Technologies and Server-Side Virus Protection helps to keep your Personal E-mail Accounts clean and allows you to customize your own level of protection against unwanted spam.
